

Monday - We use our hands to...

Welcome

Welcome to Lourdes! We hope that you have had a safe journey. This week you will see a lot of hands during your Pilgrimage. Our theme this year is, 'Called to Serve' and we thought about the role of hands in service to others and in so many of our actions.

We say hello and welcome in so many different ways across the world and beyond! Can you think of any? See if you can match up the greeting with its name and with the people that would most likely use that greeting?
