What you should know about Hosanna House

- Hosanna House is located in the village of Bartrès just outside Lourdes and sits in the foothills of the Pyrénées.
- For over 30 years it has catered for young people and adults with special needs and disabilities giving them the opportunity to experience a pilgrimage holiday in a safe and caring environment.
- In wonderful surroundings with fabulous views of the Pyrénées it is the perfect place to meet new friends and create fabulous memories.
- Since it opened, Hosanna House has welcomed over 70,000 visitors. With your help we can ensure that future visitors receive as warm a welcome as those in the past!

So what are our plans for Hosanna House?

After 15 years the Saint Bernadette wing is in need of refurbishment to provide the wing with more spacious bathrooms and bedrooms and a fresh, clean feel.

The work starting in November 2009 will ensure that the Saint Bernadette wing continues to comply with all standards of access legislation and guidelines. This will safeguard our guests whilst delivering a more pleasurable experience for all who stay there. New and upgraded smoke and fire alarm systems will also be installed.

But we can only do it with your help!

How you can help Shower Hosanna House with Love

You can help us achieve our goal with a kind and thoughtful donation that is both affordable for you and helps so many grateful and appreciative future visitors.

We can only complete the work we need to undertake with your support! Since we anticipate the cost being £250,000 every penny will count!
