

Life-Changing Pilgrimage Holidays
hcpt

With your support we can
continue to change lives

If you value what we do now, you can help our work live on in the smiles of those who will join us in the future.

HCPT is a registered charity in England and Wales (281074) and Scotland (SC043743)

Your legacy will ensure HCPT's vital work continues

Each year over 1,500 disabled children and adults join HCPT at the shrine of Lourdes in France in caring, family size groups. Everyone who travels with HCPT enjoys a spiritual, fun and life changing week of pilgrimage - sharing God's gifts of love, friendship and joy.

You can play a special part in ensuring this important work continues.

Peter explains why he is going to leave HCPT a gift in his Will,

"I am impressed by what HCPT does. I have never travelled with HCPT, but I have been to Lourdes - and I know what a special place it is. One of the reasons I particularly want to leave a gift to HCPT is that I trust them. I know HCPT will make sure that my legacy is used for the benefit of the disabled children and adults it is intended for."

With your help of a gift in your Will, we can continue to offer more disabled people the joy of a pilgrimage holiday to Lourdes.

Leaving a gift in your Will is easy to do. We can even help you with it.
